S

EASTERN REGION

No.18

**TEMPORARY SPEED RESTRICTIONS
PERMANENT WAY OPERATIONS
SIGNAL ALTERATIONS
APPENDIX INSTRUCTIONS ETC.**

**AFFECTING EASTERN REGION TRAINMEN
WORKING OVER LONDON TRANSPORT
AND SOUTHERN REGION.**

SATURDAY 29 APRIL

TO

FRIDAY 5 MAY 1972

INCLUSIVE

Trainmen must pay particular attention to works contained in this notice and keep a good look-out for hand signals, which will be exhibited at the various localities in accordance with the Rules and Regulations. Work at places other than those mentioned may be in progress of which it may not have been possible to give previous notice, and drivers must be on the look-out and be prepared to stop or run at reduced speed when and where hand signals may be exhibited.

TEMPORARY SPEED RESTRICTIONS

Location of Work at or between	Lines affected	Mileage at or between		Speed Restriction	Remarks
		M. Chs.	M. Chs.	m.p.h.	
LONDON TRANSPORT					

Temporary speed restrictions may be eased or withdrawn earlier than shown. At the start of the speed restriction, a sign will display figures indicating the maximum permissible speed in miles per hour. A second sign will display the letter "T" to indicate that normal speed may be resumed from that point. Warning boards are not provided.

Certain signs will not be illuminated when the traction current is switched off.

SOUTHERN REGION

Temporary speed restrictions may be eased or withdrawn earlier than shown. Trainmen must, therefore, be prepared to find a higher speed (which may be the permanent speed restriction) indicated at the warning board and indicators and they must work to such speed.

Warning boards and indicators provided unless otherwise shown.

In the case of items marked * the warning board(s) and indicators will be moved as the work progresses.

In the case of items marked † the warning board(s) will be lit by propane gas.

LATCHMERE JUNCTION TO HITHER GREEN VIA NUNHEAD

Cambria Jn. and Denmark Hill	Down and Up	3 70	4 15	20	Switch and crossing renewals. Commencing 10 00 Friday 5 May.

Fleet and Farnborough	Up Fast and Up Slow	34 12	34 08	30	Bridgeworks.

SECTION B

TEMPORARY ENGINEERING WORKS

(For details of Signalling or Permanent Way Alterations see Section C)

Where any work involves fixing, removing or repairing of signals, or the protection of the running line during renewals, repairs and obstructions. Handsignalmen will be provided by the Engineer to act in accordance with the Rules and Regulations.

Material may be lying about and disconnections may be made as required.

Unless otherwise shown, work will be carried out as traffic permits.

Although the S notice commences on Saturday of each week, items may be included which are shown to commence on the previous night, and were not available for inclusion in the previous notice.

All concerned must therefore not assume that items shown to commence before the operative date of each notice will have been published in the previous one, and on Friday nights must refer to both the current and following notices.

SECTION C

SIGNALLING AND PERMANENT WAY ALTERATIONS

** * Items marked thus will not appear in future issues and a note must be taken of them by all concerned.*

DETAILS OF WORK REFERRED TO IN SECTION B

SUNDAY 30 APRIL – BETWEEN THORNTON HEATH AND SELHURST – The trailing crossover between the Down and Up Local lines, approximately 35 yards Thornton Heath side of the signal CY19, will be brought into use, the points being operated from Gloucester Road Jn. signal box.

The trailing crossover between the Down and Up Local lines in Selhurst station will be put out of use, the points being clipped and padlocked pending abolition.

The shunting signal Thornton Heath side of Selhurst station controlling movements from the Up Local to Down Local lines or back along Up Local line will be repositioned 219 yards nearer Thornton Heath and will in future only apply for movements from the Up Local to the Down Local lines.

The shunt-ahead signal (CY18) situated beneath the Up Local line signal CY19 will be removed. (21)
