APPENDIX INSTRUCTIONS, ETC.**

**AFFECTING EASTERN REGION TRAINMEN
WORKING OVER SOUTHERN, LONDON MIDLAND,
AND WESTERN REGIONS**

★ **THIS BOOKLET CONTAINS NOTICES FOR TWO WEEKS**

**SATURDAY 25 AUGUST
TO
FRIDAY 7 SEPTEMBER 1979
INCLUSIVE**

Trainmen must pay particular attention to works contained in this notice and keep a good look-out for hand signals, which will be exhibited at the various localities in accordance with the Rules and Regulations. Work at places other than those mentioned may be in progress of which it may not have been possible to give previous notice, and drivers must be on the look-out and be prepared to stop or run at reduced speed when and where hand signals may be exhibited.

TEMPORARY SPEED RESTRICTIONS

Warning boards and indicators provided unless otherwise shown.

Portable magnets have additionally been provided for Temporary Speed Restrictions on all sections of line on the Western Region and London Midland Region which are equipped with A.W.S. as shown in Table Y, and which were not previously provided.

In the case of items marked * the warning board (s) and indicators will be moved as the work progresses

In the case of items marked † the warning board (s) will be lit by propane gas.

Where two speeds are shown for a restriction e.g. $\frac{20}{40}$ the Rule Book Section T, clause 21.2 applies.

SECTION B

TEMPORARY ENGINEERING WORKS

(For details of Signalling or Permanent Way Alterations see Section C)

Where any work involves fixing, removing or repairing of signals, or the protection of the running line during renewals, repairs and obstructions, Handsignalmen will be provided by the Engineer to act in accordance with the Rules and Regulations.

Materials may be lying about and disconnections may be made as required.

Unless otherwise shown, work will be carried out as traffic permits.

Although the S notice commences on Saturday of each week, items may be included which are shown to commence on the previous night, and were not available for inclusion in the previous notice.

All concerned must therefore not assume that items shown to commence before the operative date of each notice will have been published in the previous one, and on Friday nights must refer to both the current and following notice.
